Secondly, the report balances the absence of "specific information" with common sense assumptions based on historical activity. This kind of information helps me to articulate to my superiors why we continue to recommend certain security guards and systems. Thanks.

Perhaps, if possible, provide a more regional application of information. Right now the info is, in most cases, very generalized for the nation as a whole. Filtered dissemination of information to regions, such as Southwest, Southcentral, Southeast, Northeast, Northwest, North Central, etc. would help. I have asked in the past for some guidance specific to university campus communities. As the chief of an open urban campus we have many of the challenges any local police department has-and more. I would be very interested and supportive of working within a group to study the informational needs of campus law enforcement authorities in the U.S.	Very satisfied	Very satisfied	Very satisfied	(b) (6)	(b) (6)	(b) (6)	(b) (6)	(b) (6)
